At the direction of the court, James Hughes, United States Marshal, requested in writing that the City of Tulsa grant jurisdiction and authority for the U.S. Marshal Service to enforce all laws relating to such perimeter and establish such rules and restrictions as deemed necessary, including the determination and enforcement of restricted parking around such building perimeter. The City of Tulsa has, pursuant to such request, granted the requested authority.

ACCORDINGLY, the Court hereby directs the United States Marshal for the Northern District of Oklahoma, in cooperation with the Federal Protective Service, to implement and enforce all procedures deemed necessary for the protection of said building perimeter, including determination, implementation and enforcement of parking procedures to promote safety and security for the federal judiciary.

PARKING SPACES around the perimeter of said Federal Building will be assigned to judicial employees by the Clerk of Court for the Northern District of Oklahoma. Further, the perimeter will be posted with appropriate signs stating substantially the following: "By Order of the Court, United States Marshal Parking Only, Unauthorized Vehicles will be immediately Towed at the Owner's Risk and Expense, and Unauthorized Parking will Result in Prosecution."
